Air Purifiers

Air Purifier

AENO AP1S

Experience air quality with the convenience of smart control via the AENO app or voice assistants. Our air purifier goes beyond basic filtration, neutralizing 99.9% of harmful particles and eliminating unpleasant odors for a truly refreshing atmosphere.

Enjoy peace with ultra-quiet operation, while the purifier automatically detects the required cleaning mode, adapting to your environment seamlessly.

With a long-life filter lasting up to 18 months without replacement, you can breathe easy knowing maintenance is minimal. Receive timely reminders for filter changes to ensure optimal performance.

Choose from four speed modes to suit your preferences, while energy-efficient operation keeps costs low at just 50W.

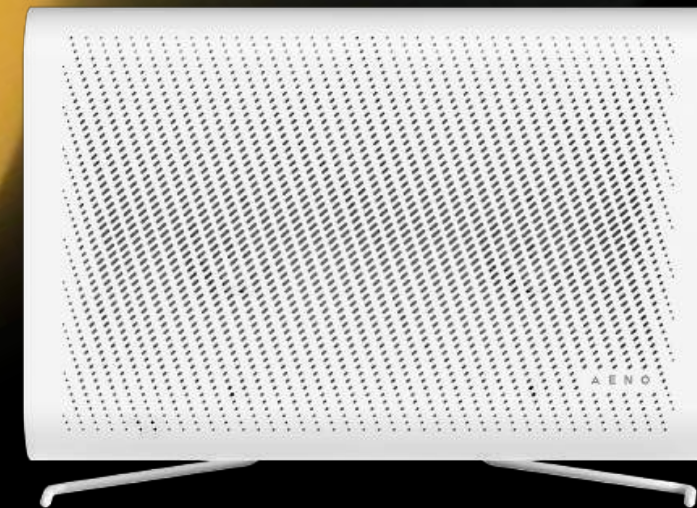

With a weight of only 4.6 kg, our air purifier is designed for effortless placement and portability throughout your home, effectively cleaning spaces up to 60 square meters.
